

SOLID THOUGHT CORPORATION PRESS RELEASE

*For decades, multiple Emmy award winner **Steve Johnson** has blown the doors off audience's expectations with mind-boggling special effects and original characters for film and television. Now he brings the same creative genius to the design and production of limited edition collectibles.*

***Paul Francis** has been creating outstanding collectibles for over ten years. With licenses ranging from TERMINATOR to ALIEN and alliances with Universal Studios, Disney, and Dodge.*

Now they've joined forces to create The Solid Thought Corporation, a new company committed to art. To authenticity. To you, the fans.

Get ready.

A new breed evolving.
